Certified Healthcare PCI-DSS Professional (CPCIP)
Approved for Continuing Education Credit

CHIME CHCIO Certification:

The College of Healthcare Information Management Executives (CHIME) recognizes this program for up to 15 continuing education units (CEUs) towards the Certified Healthcare CIO (CHCIO) Program. A certificate of participation is required for submission.

To submit the Non-CHIME Continuing Education Units to become CHCIO eligible or to maintain/renew your CHCIO or CHCIO-Eligible status, CLICK HERE to submit this event. For questions regarding eligibility for the CHCIO program please email certification@chimecentral.org or call 734.665.0000

Objectives:

Upon successfully completing this course, students will be able to:

- Understand PCI-DSS, Roles and Responsibilities

- Execute the PCI-DSS Self-Assessment Questionnaire (SAQ) Process (with hands-on exercise)

- Outline and Demonstrate PCI Best Practices for Healthcare Sites

- Establish a Compliance Approach to Payment Data Protection

- Define and Explain PCI Terms and Terminology

- Identify PCI-DSS 4.0 Mandates, Forms and Requirements (with online checklist exercise)

- Discuss the Future of Payment Card Security

Planning & Instructional Personnel Disclosures:

All planners and instructors have completed a Biographical Data and Conflict of Interest form and have no conflicts of interest to disclose.
