

Certificate of Ransomware Protection Proficiency (CRPP)

Approved for Continuing Education Credit

CHIME CHCIO Certification:

The College of Healthcare Information Management Executives (CHIME) recognizes this program for up to 4 continuing education units (CEUs) towards the Certified Healthcare CIO (CHCIO) Program. A certificate of participation is required for submission.

To submit the Non-CHIME Continuing Education Units to become CHCIO eligible or to maintain/renew your CHCIO or CHCIO-Eligible status, [CLICK HERE](#) to submit this event. For questions regarding eligibility for the CHCIO program please email certification@chimecentral.org or call [734.665.0000](tel:734.665.0000)

Objectives:

Upon successfully completing this course, students will be able to:

- Demonstrate working knowledge of the different types of ransomware and of how they spread.
- Describe best practices for preventing ransomware attacks.
- Show working knowledge of how to respond to a ransomware attack.

Planning & Instructional Personnel Disclosures:

All planners and instructors have completed a Biographical Data and Conflict of Interest form and have no conflicts of interest to disclose.
